TREATED PICKETS / SHIPLAP

H3 Treated Pickets	
Frank's Fencing Services stock & recommend Motueka Lumber Co brand premium fence pickets. Being kiln dried means that pickets are less likely to warp, twist or bow, and are ready to paint or stain straight away. Pre-primed pickets are also available. Pre-primed pickets are easier to paint and come with a 50 year lifewood guarantee.

Why use FJ Primed products?	
FJ Primed products and or laminated products increase dimensional stability and can be used for all above ground applications. The finger jointing produces a clear defect free straight piece of timber. Buying pre-primed products also saves on painting costs.
